

TOLO Participation Form

Maris Farms is open to the public from 5pm-10pm. The tickets that will give students access to this venue are good for that period of time on the evening of the event. Seattle Christian TOLO is scheduled to last from 5pm-7pm. This means that the facility will be available to students beyond the school-sponsored activity.

Students will be required to complete and submit this waiver prior to purchasing a ticket acknowledging that they have the permission of their adult guardian or parent for one of the following options below. This waiver will also recognize that they have arranged for their own transportation to and from the event. This form must be turned in to an ASB officer when purchasing his/her ticket(s). All guests of SCS students must also fill out this waiver along with the guest waiver.

Tickets to the event may not be purchased until this form is completed and given to an ASB Officer.
