Consider these questions during your conferences:

- What should my child know, understand or be able to do as a result of taking this class?
- How is my child progressing?
- What information do you use to assess my child's learning?
- How much homework should my child be doing for this class?
- What do you see as my child's strength in the classroom and what is an area for improvement?
- What can I do at home to complement learning in the classroom?
